NANCY CHIPPENDALE'S DANCE STUDIOS
PRESENTS

THANK YOU CHIPPS NATION

A LETTER FROM NANCY CHIPPENDALE

Welcome to our 44th Annual Production, "Time to Dance"! This year's Recital theme is deeply meaningful for all of us here in CHIPPS Nation, as 2023 truly is a time for dance...

We are dancing in celebration of our community's strength and spirit! We are dancing for the FUN we all need to break up crazier-than-ever weeks! And most importantly, we are dancing to promote healthy bodies and minds in our students, who have had a challenging few years!

The past 44 years have been about so much more than dance for myself, my family and my staff. We are here to help our dancers stay physically active, learn how to listen to their bodies, grow into strong young adults, feel confident in their abilities (in and out of the studio), work through challenges, step away from screens, thrive in structure, make new friends ("dance friends are the best friends!"), express themselves creatively...the list goes on...all without them even realizing it's happening. We as a team find the CHIPPS experience incredibly rewarding, and we hope you as families do too.

Thank you to our dedicated faculty and staff for bringing our 44th season to life. To say "we couldn't do it without you" is an understatement. You keep the train moving and our dancers are so lucky to have you all as positive influences in their lives. Thank you to our dance families — no matter how long you've been part of our dear "CHIPPS Nation," you are appreciated. Teaching your children is an honor and a privilege we will never take for granted!

It's time for our dancers to take the stage...
it's time for them to shine.

It's Time to DANCE!

Happy Dancing Always,
Nancy Chippendale
